

DESIGNER SERIES RANGE HOOD LINERS

For those who need ventilation performance and desire the commercial style baffle filters, our Designer Series Liner will exceed your expectations.

VSL400 SERIES

Experience...

EASY CLEANING

- Dishwasher safe commercial baffle filters
- Leading edge design is easy to clean. Eliminates grease traps.

QUIET OPERATION

- Rubber-mounted motor & large, squirrel-cage blowers reduce sound and vibration noise (390, 660 & 1360 CFM models)
- Variable or 3-speed motor control (varies by model) reduces blower and air movement sound
- Large, baffle filters reduce air movement sound
- Sound absorbing duct silencers, Neoprene[®] lined sound absorbing fast clamps & dampers available

ENDURING QUALITY

- Internal motor models deliver 1360 CFM, 660 CFM or 390 CFM-(Code Compliant)
- Optional in-line blowers deliver 1266 CFM or 836 CFM
- Commercial grade stainless steel (#304, 24-gauge) and galvanized steel construction
- Oversized baffle filters improve ventilation performance
- Two dimmable 50-watt halogen lights brighten cooking area; three on 448, 454 & 460 models
- Performance tested by Energy Systems Laboratory at Texas A&M University

DISTINCTIVE LOW PROFILE DESIGN

- Style complements ALL custom and manufactured wood hood designs
- Electronic touch controls with blue LED lighting (3-speed internal motor models). Metallic control knobs on all variable speed in-line blower models.
- Simplicity of design preferred by home owners

EASY INSTALLATION

- Remote blower models pre-wired for use with most in-line or exterior blowers
- Installs easily in standard size or custom built wood range hoods
